

Orcas Island High School Class of 2020 Graduation Celebrations

For this year's graduating class, the COVID-19 outbreak has meant the cancellation of our traditional graduation celebrations and ceremonies. However, we are committed to ensuring that the Orcas Island High School class of 2020 is celebrated and honored as only our community can do. We invite our students, staff, families and community to celebrate the Class of 2020 in the coming weeks leading up to their graduation. Thanks to the amazing partnership between our school, our senior parents and our community we are excited to share the following celebrations that will be taking place and invite you to join us in celebrating these amazing young men and women.

Grad-O-Grams

All members of the Orcas Island community (both near and far), family, friends and graduates are invited to share a message with any and all of our graduating seniors. Your note will be printed on a keepsake page for the graduate. Simply click/follow this link and fill out our form: <https://tinyurl.com/OrcasGrad2020>
